I. Call to Order and Roll Call

SORO NC Board President Doug Fitzsimmons called the meeting to order at 7:10.

Board Members Absent: Sam Jagger, Barry Levine, Terry Gomes, Brian Kite, Kimber Smith, Bette Billet

Guests: SLO Mario Gonzalez, Elizabeth Carlin, David Giron

II. Community Reports

LAPD Report.
Gonzalez discussed the search warrants served and details of the nine arrests. Officer Gray got information from community members to begin this successful investigation. Burglaries are down. Though there is a pattern of robbers knocking on the front door and if nobody answers, they break in the back door. Car break-ins continue to be a big problem. Mobile RV homes on Cattaraugus Ave. continue to be a problem. Notices were issued on 9/20 to the occupants.

Office of Councilmember Wesson
Liz announced that the 18th battalion emergency preparedness event is this Sunday at Park La Brea, and you all are invited. If you or someone you know is interested in being more involved with emergency preparedness, there are Mobile Unit opportunities that need assistance. Let me know or see the contact information on the flyer that was distributed prior to the start of the meeting.

Councilman Wesson’s office wanted to acknowledge this year’s peace picnic. The attendance this year was noticeably higher than in previous years. Thank you again SORO for your continued support for the Peace Picnic.

Medical marijuana is back on council’s calendar and action on this issue is expected by Oct 7th. Liz didn’t have specifics at this time and noted that once it is scheduled for the council’s agenda there will be a detailed description that will be posted. If you’d like to attend let her know and she will accommodate parking

Office of Councilmember Koretz.
David discussed the peace picnic success and wished all a happy high holiday. David reminded everyone that they are still waiting for the priority list and it is helpful for the council office to stay abreast of priority.

A quick update on Robinson Park: it is still going to be modernized, though this will take time. The park is not closing.

There was a motion to rename the Palms recreation center after the first lady elected at 22 and it is possible to do this by a considerable donation.

File on the website and please don’t put it off, as we do need to get more people. Doug encouraged us all to get the word out about the event on Sunday. There will be lots of food; emails have been sent out; signs have been posted.

Tony had a comment and was going to be available to answer questions after the meeting.

Public Safety.
Emergency supplies are delivered and are being supplemented with outside donations. Crime is down 2.7 percent. Michael discussed the events for the next meeting and discussed the importance of the certification classes. Doug discussed the reviving of programs designed to get civilians to help in police efforts. More information will be forthcoming.
Green Team.
The panel discussion about genetically modified foods (GMOs) on September 6th was highly successful, drawing over 80 people. The Hamilton students who organized and help run the event deserve particular praise.

Outreach.
We’ve been working to get folks out for the election. We are still working on the medallions.

Transportation.
We’ll be meeting next week about the Century City Center. We will be talking about major development on the west side and the impact on traffic in our area.
