Motion to File CIS against Street Vending Ordinance CF# 13-1493

Agenda Item: GB051714-4
Date: May 15, 2014
Proposed By: Terrence Gomes

Full Proposal

Currently street vending on the right of ways and sidewalks is illegal in the City of Los Angeles. There are two categories of street vending, food street vending and merchandise (non-food) street vending. The current motion CF# 13-1493 (attached) does not address the areas that street vending will occur and how resources will be created to address the health and safety of people purchasing food from these vendors. Another issue is who would determine what “health food” is and would this create lawsuits for the City of Los Angeles by vendors?

Proposed Motion

I. The South Robertson Neighbors Council opposes the report because it fails to study the impact on residential areas and does not acknowledge that existing commercial establishments and restaurants may lose business to street vendors. With the current budget issues of the City of Los Angeles, a more comprehensive and effective regulatory system would not be able to be put in place and still ensure that back to basic services would be able to be maintained at their current levels without increases in taxes.

II. The South Robertson Neighborhoods Council files a community impact statement opposing the creation of an ordinance to allow street vending of food and merchandise at this time.

Motion to clarify language on appointment restrictions

Agenda Item: GB051514-5
Date: 15 May 2014
Proposed By: Bylaws Committee

Full Proposal

The language in the Bylaws on a blackout window for appointments was confusing.

Note that changes to the bylaws require a two-thirds vote of Board members present at the meeting.

Proposed Motion

I. To amend SORO NC Bylaws Article V, Section 6, Item H as follows (bold indicates added language, strikeouts removal of language):

   In no event shall a vacant elected seat be filled by Board appointment where a general election is scheduled to occur within a sixty (60) days period before and nor within a sixty (60) days period after the date that a written application is submitted to the Board a general election or selection.

Arguments for:
The old language about “a written application is submitted to the Board” made no sense.

The old line didn’t actually mention “Board appointments.”
Motion to expand the criteria for conducting a selection process

Agenda Item: GB051514-6
Date: 15 May 2014
Proposed By: Bylaws Committee

Full Proposal

Our current election language sets a high bar for the NC to hold an alternative selection (i.e., an NC-run event): it could only happen if the City was unable to hold an NC election.

However, that presents a problem if the City holds an election that conflicts with our Bylaws or otherwise does not serve our community well. This motion gives the NC more flexibility in deciding whether an election or selection would be better.

Note that changes to the bylaws require a two-thirds vote of Board members present at the meeting.

Proposed Motion

I. To amend SORO NC Bylaws Article X, Section 6 as follows (bold indicates added language, strikeouts removal of language):

In the event that the City Clerk or other entity designated by the City is unable to conduct a duly-scheduled election, per Article III, Section 2 of the Plan, The Neighborhood Council may adopt an alternate selection process rather than participate in a City-conducted election. The Board must approve the selection process by a two-thirds (2/3) vote of the Board members present.

A selection differs from an election in that individual votes must be made public, e.g., via signed ballots or a public show of hands. The selection process must preserve the goals and objectives of the Council; occur during the same time period as the planned election; include a method for resolving any challenges to the results; and be inclusive, transparent, and non-discriminatory. The Board must approve the selection process by a two-thirds (2/3) vote of the Board members present.

Considerations

Committee review: (highly recommended)  
Votes For: 3 Against: 0

Arguments for:

Gives us more flexibility and allows us to have a selection that is in accord with our bylaws, rather than be forced to accept a one-size-fits-all solution.

Arguments against:

A City-run election conveys legitimacy.

The NC is more than able to run and promote a selection. And we’ve done it in the past.
Motion to amend Board absence policies

Agenda Item: GB051514-7
Date: 15 May 2014
Proposed By: Bylaws Committee

Full Proposal

While attendance at Board and committee meetings is the core duty of a Boardmember—and the failure to do so hampers Board effectiveness and leaves their constituency unserved—the current policy is confusing. Furthermore, while the current automatic removal due to excessive absences may be procedurally simpler, the City Attorney requests that the Board take deliberate action to remove a Boardmember.

The proposal is a compromise: we build in flexibility by removing the rule about 3 missed Board meetings in a row but offset it by eliminating excused absences. Missing 5 Board meetings in a year and/or attending less than 7 committee meetings would still be grounds for removal.

We also formally establish a removal process by including City Attorney-recommended vote to approve attendance records; creating a separate removal process for absences that requires that action be taken in an impartial manner; and setting the vote threshold to a super-majority.

Note that changes to the bylaws require a two-thirds vote of Board members present at the meeting.

Proposed Motion

I. To amend the SORO NC Bylaws Article V, Section 7, as follows (bold indicates added language, strikeouts removal of language):

A. Any Board member who misses three (3) consecutive regularly scheduled Neighborhood Council Governing Board Meetings, five (5) total Governing Board Meetings during any twelve (12) month period, or attends fewer than seven (7) Committee meetings during any twelve (12) month period will be automatically removed subject to removal from the Board. Any meeting of the Neighborhood Council Governing Board, Standing Committees or Ad Hoc Committees, scheduled and noticed as per the Brown Act, shall constitute a meeting for the purpose of determining Board member attendance.

B. Each Council Board member absence shall be recorded in the Council’s meeting minutes or other manner of Council record keeping and that, upon missing the required number of Board or Committee Meetings, the Council Secretary shall notify the Board member and provide notice to the community that the seat has been declared vacant. Former Board members may reapply for any open seat for which they qualify. In addition to meeting minutes, the Board will approve separate attendance records each quarter.

C. Board members may request a leave of absence of up to six (6) months, subject to approval by the full Board. A Board member may not exceed six
(6) months of total leave per elected or appointed term. The Board may, at its discretion, appoint an interim replacement for the length of the leave. During an approved leave of absence, the Board member shall be excused from the attendance requirements outlined above.

II. To amend Article V, Section 9 as follows:

The Council shall consult with the Office of the City Attorney throughout any Board removal process. In addition to removal due to absences, Board members may be removed in the following ways:

B. Removal due to absences.

1. A Board member may officially be deemed in violation of the Absence provision (Article V, Section 7, above) after Board approval of the quarterly attendance record.

2. Upon identification of a violation of the Absence provision, the Secretary shall notify the Board member and cause the matter to be placed on the agenda in compliance with the Brown Act for a vote of removal by the Board at the next regular Council meeting.

3. Removal of the identified Board member requires a two-thirds (2/3) majority of the attending Board members.

4. Board members removed for attendance may apply for appointment to any open seat for which they qualify.

---

**Considerations**

**Committee review:** (highly recommended)  
**Votes For:** 3  
**Against:** 0

**Arguments for:**  
Simplifies the attendance policy, particularly the excused absence part that no one understood.

Creates a clear process for removal that does not allow exceptions. It will be applied fairly and impartially.

**Arguments against:**  
Should it be okay that an elected representative is able to miss over 40% of the meetings? Is that fair to the constituents?

It does require that the Board vote, which introduces an element of partisanship.
Motion to amend executive duties

Agenda Item: GB051514-8
Date: 15 May 2014
Proposed By: Bylaws Committee

Full Proposal

The Bylaws language in the Secretary and Treasurer duties regarding posting requirements for minutes and financial statements is arguably redundant, confusing, and could lead to a misguided grievance filing. While it is certainly important to put the material before the Board and community in advance of meetings, the NC Standing Rules already have a 3-day posting requirement for minutes and financial statements.

Both documents are required by DONE on a monthly basis, and it is problematic to not be able to vote on them. Although it shouldn’t be common practice, having the flexibility to suspend a Standing Rule (you can’t suspend a Bylaws item) on occasion and with Board consent is important. And if an officer is not performing satisfactorily, she/he may be removed at any time by simple majority vote.

The Secretary is officially tasked with “the coordination of Board elections/selections,” however that could present a conflict of interest when the Secretary him/herself is up for election. The Bylaws committee recommends striking the duty.

Note that changes to the bylaws require a two-thirds vote of Board members present at the meeting.

Proposed Motion

I. To amend the Treasurer’s duties in the SORO NC Bylaws Article VI, Section 2, Item C as follows (bold indicates added language, strikeouts removal of language):

5. Ensures a written report of each month’s financial transactions, including commitments and expenditures by budget allocation, and cash balance, is prepared in a timely manner, provided to all Board members in draft at least three (3) days (72 hours) in advance of the subsequent Board meeting, and finalized and posted within three (3) days (72 hours) after that subsequent Board meeting.

II. To amend the Secretary’s duties in the SORO NC Bylaws Article VI, Section 2, Item D as follows:

2. Responsible for accurate minutes of all Board meetings, ensuring that they are written up in a timely manner, provided to all Board members in draft at least three (3) days (72 hours) in advance of the subsequent Board meeting, and finalized and posted within three (3) days (72 hours) after that subsequent Board meeting. Collaborates with Committee Chairs to create a monthly report of Board member attendance at all Council meetings.

5. Serves as chair of the Board Development Committee, responsible for Board recruitment efforts and training and the coordination of Board elections/selections.

Motion to create fifth At-Large seat and eliminate one Org seat

Agenda Item: GB051514-9
Date: 15 May 2014
Proposed By: Bylaws Committee

Full Proposal

We often have difficulty filling all of our Organization seats. Replacing one Org seat with an At-Large seat would make it easier to keep a full Board.

The timing is good: we have an Org seat open that isn’t being filled in the election.

In order to keep the two staggered election groups (which we’d like to formally name A and B) equal in number, we also propose reassigning Organization seat numbers after the election. This would keep things simple moving forward and wouldn’t affect current seat terms.

Note that changes to the bylaws require a two-thirds vote of Board members present at the meeting.

Proposed Motion

I. To amend SORO NC Bylaws Article V, Section 1, Items C and E as well as Bylaws Attachment B to change the number of Organization seats to 3 (from 4) and the number of At-Large seats to 5 (from 4).

II. To change Article V, Section 4 to read:

**Election Group A:** The following seats shall run in 2010 for a term of office with a duration of two (2) years or until a successor is elected or appointed. Subsequent terms of office shall be four (4) years.

| Resident Zone 1 | Business 2 |
| Resident Zone 3 | Business 4 |
| Resident Zone 5 | Organization 2 |
| Resident Zone 7 | At Large 1 |
| Resident Zone 9 | At Large 3 |
| School 1 | At Large 5 |

**Election Group B:** The following seats shall run in 2010 for a term of office with a duration of four (4) years or until a successor is elected or appointed. Subsequent terms of office shall be four (4) years.

| Resident Zone 2 | Business 1 |
| Resident Zone 4 | Business 3 |
| Resident Zone 6 | Business 5 |
| Resident Zone 8 | Organization 1 |
| Resident Zone 10 | Organization 3 |
| | At Large 2 |
| | At Large 4 |
III. To assign new numbers after the 2014 general election to the current Organization seat holders: Org 1 becomes Org 2, Org 2 becomes Org 1, Org 4 becomes Org 3. This change would not affect seat terms.

Motion to add a fifth Executive Committee role: Corresponding Secretary

Agenda Item: GB051514-10
Date: 15 May 2014
Proposed By: Bylaws Committee

Full Proposal
There has been on-going interest in creating a fifth Executive position. Doing so would increase opportunities for leadership, create a "tie-breaker" if the Exec committee is deadlocked, and hopefully reduce the load on the other Exec members.

The Bylaws committee discussed a number of options, including Second VP, Sergeant-At-Arms, and a rotating Boardmember Representative. Ultimately the committee felt that a Corresponding Secretary had the clearest organizational benefit, and would help push the creation of a SORO editorial staff.

Note that changes to the bylaws require a two-thirds vote of Board members present at the meeting.

Proposed Motion

I. To amend the SORO NC Bylaws Article VI, Section 1, as follows (bold indicates added language, strikeouts removal of language):

The officers of the Board ("Officers") shall include the following positions, which all together comprise the Executive Committee: President, Vice President, Secretary, Corresponding Secretary, and Treasurer.

II. To amend Article VI, Section 2 to include the following duties:

E. Corresponding Secretary

1. Responsible for sending official Neighborhood Council correspondence as authorized by the Board and for creating press releases publicizing Board decisions and activities.

2. Receives constituent inquiries to the Board and responds or routes them as necessary.

3. Acts as Editor-In-Chief for all NC communications, responsible for recruiting writers, training and coordinating editors, and proposing editorial guidelines. Acts as arbiter for NC editorial decisions, although any decision may be appealed via a motion presented to the full Board.

III. To amend Article VII, Section 3, Item B as follows:

Standing Committees shall be comprised of at least two (2) Board members and may include any interested Stakeholders. The Executive Committee, however, shall be comprised solely of the four five (5) Executive members.

IV. To amend the SORO NC Communications Guidelines as follows:
The Board may also opt to appoint an **The Corresponding Secretary serves as** Editor-In-Chief, who is responsible for recruiting writers, coordinating editors and proposing editorial guidelines.

- Is this a burden?
- Puts a lot of the public-facing communication in the hands of one person.
Motion to clarify committee leadership

Agenda Item: GB051514-11
Date: 15 May 2014
Proposed By: Bylaws Committee

Full Proposal

Committees should have a single clear leader who is responsive to community and NC issues. Splitting duties between Co-chairs often leads to confusion, conflicting priorities, and dropped balls.

At the same time, Chairs may need to delegate responsibilities. Having a Vice-chair would allow the Chair to assign leadership responsibilities as necessary.

In addition, it does present problems when a Chair is not a Boardmember, particularly when it comes to presenting motions.

Note that changes to the bylaws require a two-thirds vote of Board members present at the meeting.

Proposed Motion

I. To amend the SORO NC Bylaws Article VIII, Section 3, Item B as follows (bold indicates added language, strikeouts removal of language):

   3. Each committee shall have one Chair and one Vice-chair. Committee Chairs must be current members of the Board, although Vice-chairs may be committee Stakeholders.

II. To amend Article VIII, Section 3, Item C as follows:

   2. With the exception of the Executive, Finance, and Bylaws Committees, all Committee Chairs and Vice-Chairs shall be nominated by the Committee and confirmed by the Board. The Chairs shall provide regular reports on Committee matters to the Board and Committee meeting attendance to the Secretary.

Considerations

<table>
<thead>
<tr>
<th>Committee review: highly recommended</th>
<th>Votes For: 3</th>
<th>Against: 0</th>
</tr>
</thead>
</table>

Arguments for:

Clarifies committee leadership: co-chairs have had mixed success. Sometimes it works, sometimes it doesn’t.

Requiring a Vice-chair builds in leadership “backup”

Arguments against:

Co-chairs may bring a different point-of-view to a committee, expanding its mission.

Less flexibility in leadership. Some may be reluctant to be a sole Chair.
New Board Member Training on Sunday, June 8th, 2014 for $400

Agenda Item: GB0515-12
Date: May 15, 2014
Proposed By: Beth Ryan

Full Proposal

Every two years, the Neighborhood Councils throughout Los Angeles host elections for members of the community to run for open seats as well as vote for NC board members.

The election will take place on Sunday May 18th, 2014 from 10 AM – 4 PM at Shenandoah Elementary.

We have 29 candidates vying for the 15 open board seats.

On Sunday, June 8th, SORO will host a board member training for the new board members. After the training, we will invite all of the board members to join the newest members for lunch so that we can connect prior to the June 19th board meeting.

Proposed Motion

To approve $400 to be used for supplies, facility costs and food for the new board member training.

Large Format Printing for Event Materials (banners and posters) for up to $450

Agenda Item: GB051514-13
Date: 5/15/14
Proposed By: Marjan Safinia

Full Proposal

There are two specific large format printing items that we would like to secure in time for the SoRo Festival 2014.

Specifically, we would like three new SORO NC table banners (96 x 30 fabric). We would both like the opportunity to banner in multiple places with additional banners, as well as needing to replace one of our existing banners due to paint stains that cannot be removed. The cost for these items is approximately $330.

We would also like to print two poster-board sized posters for the SoRo Festival (to us in addition to our existing Outreach posters). These new posterboards will introduce the community to the newly elected boardmembers, as well as the boardmembers who are continuing in their seats. These two prints will be approximately $120.

Proposed Motion

I. That SORO NC approve funding up to $450 for large format printing for outreach materials for use at our events.

Considerations

Neighborhood Purposes Grant to 101 Enterprises to support Movies in the Park 2014 for $1000

Agenda Item: GB051514-14
Date: 5/15/14
Proposed By: Marjan Safinia

Full Proposal

This is the seventh year of Council President Herb Wesson’s very successful Movies in the Park summer series, which is put on through 101 Enterprises. The Council President has chosen once again to bring one of the evenings to SORO and host a community movie screening at Reynier Park.

In the past, this event has attracted upwards of 800 people to the park, making it one of the largest Outreach opportunities we support in the community. It’s a great family night out, and offers us significant outreach into the Latino community, who usually attend in great numbers and who we could benefit from reaching out to more.

This also offers us an opportunity to continue our close collaboration with the Council President Wesson and the CD-10 office.

Our portion of the funds will be used to purchase food items for the event including candy, hot dogs, buns, popcorn and associated service items.

Proposed Motion

I. That SORO NC approve the attached Neighborhood Purposes Grant to 101 Enterprises for $1000 towards the production of Council President Wesson’s 2014 Movies in the Park Event for Reynier Park.

Considerations

Committee review: Votes For: 7 Against: 0

Amount previously allocated in Committee’s working budget: $1000

Arguments for:

Super popular outreach event.

Reaches a groups of stakeholders who don’t traditionally participate in SORO NC events

Arguments against:

Cost.

These funds could be spent on other programs.

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Foreign person. If you are a foreign person, use the appropriate Form W-8 (see Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.

2. The treaty article addressing the income.

3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Playground equipment for Shenandoah Street Elementary Neighborhood Purposes Grant for $1999.96

Agenda Item: GB051514-15
Date: May 15, 2014
Proposed By: Barry E. Levine

Full Proposal

As budgets are cut, funding for playground equipment has fallen to the bottom of the list and Shenandoah is struggling with the lack of playground equipment for our children. This proposal will fund two sets of soccer equipment ie balls, goals bibs for opposing teams cones for line demarcation et al. It also provides a large number of playground balls for kickball, handball, basketball, foursquare and other ball games. Balls get lost over fences, punctured or become otherwise unusable. Playground equipment is essential to the well being of our children. It reduces stress, promotes physical activity, reduces obesity and in general makes our children healthier.

Proposed Motion

South Robertson Neighborhoods Council will fund $1999.96 in a Neighborhood Purpose Grant for the purchase of balls and soccer sets for Shenandoah Street Elementary School.

Considerations

Committee review: Budget Committee (highly recommended) Votes For: 7 Against: 0

Amount previously allocated in Committee’s working budget: $3669.30

Arguments for:

This grant will improve the health of our most at risk community, children who are economically challenged

Arguments against:

It uses money that could be used elsewhere and for other good causes

This grant will provide outreach to a large segment of our community.

It only serves one group within SORONC

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments: The IRS has created a page on IRB.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, for:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

2. Certify that you are not subject to backup withholding, or

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

• An individual who is a U.S. citizen or U.S. resident alien,

• A partnership, corporation, company, or association created or organized in the United States, or under the laws of the United States,

• An estate (other than a foreign estate), or

• A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

Our Letter Dated:
July 25, 1986
Caveat Applies:
No

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization which is not a private foundation until the expiration of your advance ruling period.

Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Internal Revenue Code, because you are an organization of the type described in section 509(a)(2). Your exempt status under section 501(c)(3) of the code is still in effect.

Grantees and contributors may rely on this determination until the Internal Revenue Service publishes notice to the contrary. However, a grantor or a contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act of failure to act that resulted in your loss of section 509(a)(2) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 509(a)(2) organization.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If the heading of this letter indicates that a caveat applies, the caveat below or on the enclosure is an integral part of this letter.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

Budget Advocates
One of the primary purposes of the NC system—per the City Charter—is to provide feedback and guidance to the Mayor on the development of the City budget.

The NC budget advocates conduct extensive interviews with City departments, conduct a City-wide survey, and issue a comprehensive report each year. This year, they are soliciting financial support from the NCs to support their mission.

NC Congress
Each year, a dedicated group of volunteers organizes the NC Congress, a full-day event featuring training topics and opportunities to network with other NC members and City staff.

SORO NC has participated in this valuable event in past years.

I. To contribute $250 to the Neighborhood Council Budget Advocates

Motion for $1750 to Sponsor CPR/AED/First Aid Classes for SORO

Agenda Item: GB051514-20
Date: May 15, 2014
Proposed By: Michael Lynn

Full Proposal
As part of an overall SORO Emergency Preparedness Plan and the Public Safety Committee’s “Neighborhood Team Program” (NTP), it is important that a number of stakeholders be trained in CPR, Automated External Defibrillator (AED), and First Aid.

In a major emergency or disaster where first responders and medical professionals may be overwhelmed, these classes would train residents to perform potentially life-saving rescue and medical care. Training and skills could also prove critical to potentially saving someone’s life during non-disaster situations. A certified instructor(s) would demonstrate and train participants in basic first aid techniques, CPR for adults and infants, and proper use of an AED. Participants that complete the training course will obtain American Heart Association certification.

The Public Safety Committee would schedule 2 classes for (up to) 50 total participants, to be June 7 and 8, 2014. SORO NC would cover the costs for instruction, equipment and necessary supplies, while the participant would be required to pay for their own Instruction Manual ($18).

In 2012, SORO NC sponsored three CPR/First Aid/AED classes that were very successful and highly praised. Within a couple weeks, one of the participants was able to use his skills and assist in the saving of a life.

Proposed Motion
To approve $1750 on its Purchase Card, for SORO NC to sponsor and fund instruction, equipment and supplies for CPR/AED/First Aid classes for up to 50 Participants, who would be required to individually purchase their Instruction Manuals.

Classes in 2012 were popular and well attended. Will require outreach to attract participants in a short period of time.

Skills can help save a life at any time. Limited to 50 participants.
Previous attendee helped save a life.

This training is part of the 2011 NTP plan that the General Board voted to approve. Funds can be used elsewhere.
