Executive. Doug Fitzsimmons - It is an honor to serve as a NC Board member, thrilled to see the candidates out there campaigning, but if they should not win a board seat, please consider staying on and joining at least one of the NC committees and serving that way as it is just as important as being on the board.

• Question from Marj about the status of the Get Lit NPG passed at April Board meeting. Terry explained that it had been denied.

c. **Motion to approve a $2600 NPG for emergency communications equipment for the LAFD Auxiliary Communications Service (Public Safety / GB051916-6)**

Michoel Bloom introduced ACS. ACS Presented.

**Questions:**

• Why are we funding the Antenna to be at a station that is not in our boundaries? Explained that the coverage is better for our area if placed at 68. Would be most to our advantage.

• **Moved by Terry. Seconded by Michoel.**

• **Jon moved to amend** by removing the antenna from Station 68.
• **Seconded by Roger.**

**Board Debate:**

• Beth: Removing Antenna at 68 and only funding 58, although seems to make sense on the surface, it would benefit our community the least by not giving us enough coverage.

• Kimber expressed that it would be a good thing for our NC to take leadership and fund the whole communications system.

• Jon thought coordination should be created among all surrounding NCs to fund this. Terry said that the NC should not be funding this at all. This should be funded by LAFD. Felt DONE would reject the proposal. ACS explained LAFD’s funding is being continuously cut. Other NC’s have funded these antennas already with approval from DONE.

• **Vote on amendment: 3 – Y, 12 – N, 0 – A. fails.**

• **Terry proposes that we amend** the proposal that the radio and go box would stay housed at station 58 only.
