a. Motion to oppose installation of a wireless telecommunication facility at 2512 S. Robertson (Land Use / GB102617-10)

Motion Presentation by Doug Fitzsimmons in opposition of the previously rejected Cell Tower installation project. Recommendation Letter will be sent to New ZA in addition to the 108 letters that were sent to the ZA from the public all in opposition to the cell tower placement.

Presentation of New proposal by Verizon – Bill Desden (sp)
changing the height from 54ft to 52ft, from a pine tree to a Eucalyptus tree.
Bill D. asked a high school student who attended the event to speak to issues he experienced of poor Verizon coverage at Hamilton High School. Verizon explained even though they already have many cell towers in the area, they still need to cover approximately one square mile around the Beverlywood area in the center of the SORO district. Verizon claims that there is no other available location to put the tower. Two board members who live in the Beverlywood area gave antidotal stories of poor cell tower coverage.

Board Questions and Debate – Most board members expressed concerns about the damage the tower would do to the vacant restaurant property that Verizon would place the tower on. The potential harm to our Great Streets project. The cost to a developer if they had to remove or work around the tower placement. That this would most likely impede potential development and ruin the parking lot area which would also keep it from being developed as a restaurant.

Public comment – Numerous members of the community spoke; heated interruptions of Verizon’s presentation all in opposition and disagreement of the project placement and the claims that Verizon has no other place to put the tower. Numerous concerns about the harm it could do to the future of the development of the property and the Robertson Blvd Strip.

Moved by Doug Fitzsimmons.  Seconded by Beth Hirsch.

b. Motion to sponsor and fund a “Coffee with A Cop” event up to $500 (Public Safety / GB102617-11)

Moved by Marj Safina.  Seconded by Giovanni Ferdinand.
