Goals/Overview

- ❖ Get to know each other and learn what resources we have to offer each other and our community.
- ❖ Review the city mandates and mission of all neighborhood councils to find issues that are important to our community.
- ❖ Discuss and identify potential issues for us to focus on from now until at least June 2019.
- ❖ Determine the feasibility of each issue and create a short list of top priorities for our community.
- ❖ Work on plans for committees to contribute to the issues we will focus on.
