For all other seats: please describe your affiliation to the neighborhood, including the business, school or organization name and address.	I'm a junior at Yeshiva University of Los Angeles High School, Girls Division (YULA Girls High School). YULA Girls High School's address is 1619 South Robertson Boulevard, Los Angeles, CA 90035.
Optional, but encouraged: please provide a short public statement about why you think you'd be a strong addition to the Board.	I've been interested in and passionate about public policy, community advocacy, and leadership for as long as I can remember. I read a lot to keep myself well-informed about current events and policy issues and spend a lot of time thinking deeply and having conversations about what's going on in our community and all over the world and how we should respond. I love and care about people and I enjoy listening to my fellow humans and learning about their lives, experiences, concerns, desires, fears, hopes, and dreams. I love to talk to all kinds of people-family, friends, acquaintances, and strangers, people whose backgrounds and worldviews resemble mine and people who broaden my world by bringing perspectives I've never heard before to the table, people who agree with me on how best to resolve a particular problem or achieve a particular goal and people who don't-and listen to their ideas, share mine with them, civilly and respectfully discuss our disagreements, find common ground, and work with them to accomplish something of value and advance our shared goals and values. I am deeply rooted in and love our neighborhood. I'm a good and confident public speaker and I'm good at working with people. I have a lot of experience with community service and leadership. I'm involved in Israel advocacy, I co-chaired YULA Girls' Women in Science club last year, I've worked with GirlUp, I spent 40 hours volunteering at

Cedars-Sinai Hospital two summers ago and spent 4 weeks at USC last summer learning about medicine and public health, and I earned a Fellowship Award for volunteering at Friendship Circle last year. I'm volunteering with Friendship Circle this year too. I was a team captain for Walk4FriendshipLA this year. I recruited two classmates onto my team, and we raised \$555.00 for Friendship Circle. I also tutor two Shenandoah Elementary Students for an hour a week. I love and have a talent for writing and photography. I'm passionate about science, education, public health, disability rights and inclusion, and spreading goodwill, kindness, and joy. I look forward to serving our warm and beautiful neighborhood and community.
