I. **Present:** Paula Waxman, Elizabeth Snow, Satori Snow, Jay Levy, Charmaine Colina, Fred Zaidman, Gabrey Milner, Larry Hess

II. **New Business**

a. **Hamilton High School Green Team Projects**

   i. **Recycling:** On Tuesday morning, June 30th, 11am Larry Hess, Charmaine Colina and Paula Waxman will meet with the environmental team at Hamilton and Steven Casares of the City to implement a recycling program beginning in the fall. Steven will assess how many in-class recycling bins will be needed, and how many dumpsters. He will also explain how we should introduce the program to the student body and what kind of buy in will be needed by campus workers, students and teachers to make the program successful. The President of the Environmental Team or S.A.F.E. is Lowe, the sponsor is Ms. Laramay.

   ii. **Solar Panels:** Paula Waxman called the assistant to the LAUSD Director of Sustainability for the Facility Services Div., Naomi Zimmermann. She indicated that if the LAUSD Board approves their proposal, the first batch of schools, including Hamilton, will be solarized within the next 24 months. We plan to write a letter to LAUSD Director of Sustainability, to thank her and to ask her roughly when the project will start.

   iii. **Education of student community:** will have to go hand in hand with the recycling project. We will study how this can be incorporated into the curriculum.

   iv. **Community/teaching garden:** Future project
