III. New Business

a. Discussion of Got Kosher! Liquor license pre-application and possible action – Evelyn Baron co-owner and Brett Engstrom land use consultant presented. The business was started as a take out with a commercial kitchen in the back. Now the owners want to change to a sit down restaurant. They would like to bring the restaurant into compliance since they are currently serving as a sit down restaurant. Parking, usage change and Beer and Wine license. Evelyn stated that she spoke with 2 rabbis and received their approval (nothing in writing). Census track#2170, 6 businesses have bear/wine with in 600 ft radius. Parking is an issue, requirement of 1 parking space for every 100 sq/ft. Owner will get more information and come back.
