This is your neighborhood. Help elect the people who fight for it.

This election, SORO NC has five residential district seats, three at-large seats (one with a partial term), three business seats, three organization seats (one with a partial term), and one school seat (with a partial term) open. That’s more than half of the Board. And with almost every seat contested, your vote counts.

What does the NC do?
NC Boardmembers are your local advocates to City Hall. SORO NC represents our community’s wants and/or needs to local government officials and entities; builds partnerships with government so that government is more responsive to local needs; fosters a sense of community; and decides how to spend the City’s annual financial allocation ($37,000 this year) for priority community activities and projects.

Who can vote?
You don’t have to registered in a city, state or federal election to participate; any SORO stakeholder aged 15 and above can vote. The City defines a stakeholder as “those who live, work or own real property in the neighborhood, as well as those who declare a stake in the neighborhood as a community interest stakeholder, defined as a person who affirms a substantial and ongoing participation within the Neighborhood Council’s boundaries and who may be in a community organization such as, but not limited to, educational, non-profit and/or religious organizations.”

How do I vote?
You just need to verify your stakeholder status through simple written self-affirmation on election day when you arrive at Shenandoah Elementary. There’s no need to preregister.

Meet the Candidates
6pm • Thursday, May 15
Simon Wiesenthal Center
1399 S. Roxbury Drive
