

2013 Community Town Hall Meeting

# Meet your reps

## Come and talk to your Council Members

**Get to know the people who make decisions on your behalf.**

SOUTH ROBERTSON NEIGHBORHOODS COUNCIL (SORO NC) is represented by two Council Members on the Los Angeles City Council.

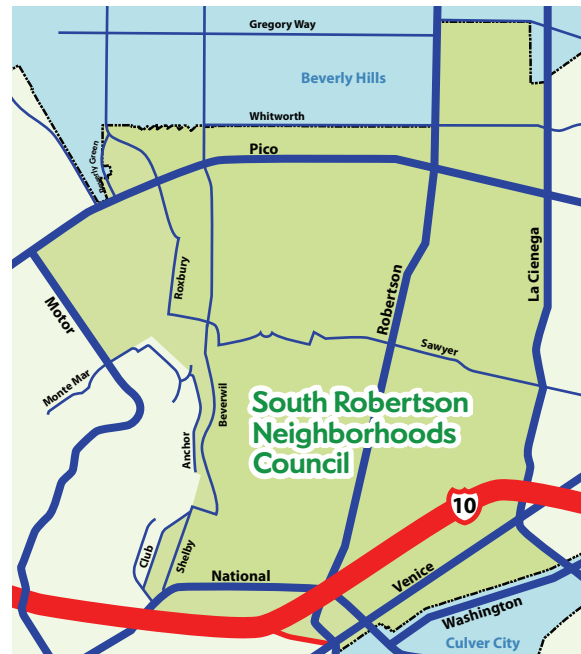

The portion of SORO NC that is to the south east of our boundaries is represented by COUNCIL PRESIDENT HERB WESSON, representative for Council District 10.

The majority of the rest of SORO NC is represented by COUNCIL MEMBER PAUL KORETZ, representative for Council District 5.

In this old-fashioned intimate Town Hall setting, you will have the opportunity to hear directly from your elected representatives about their vision for Los Angeles, and the specific issues our area is facing. You will also have the chance to ask your own questions directly of your elected officials.

**Choose to participate in the democratic process.**
