

At-Large Representative Candidate

Albert Khashky

What is your name, the seat you are running for, and one or two lines about you personally?

I, Albert Khashky, am running as an at-large representative. I'm the CTO and co-founder of a technology company.

What is your stake in SORO?

I own a duplex and operate a business, both of which are in SoRo.

What is your favorite thing about this community?

The diversity in SoRo is what I appreciate most. It's a true melting cultural melting pot.

Five years from now, how might SORO look different, and how would you make that happen?

SoRo suffers from some obvious issues that I hope to remedy including but not limited to, an overall lack of police presence, rampant disregard for traffic laws, seedy motels on La Cienega, mansionization, and lack of parking for residents. I hope to address these issues and more in building a safer more illustrious SoRo community.

What are your strongest skills and leadership qualities, and how will they be an asset to your work as a board member?

Being able to formulate a cohesive vision and rally those around you to believe and work to achieve that vision is a skill I have cultivated as a tech entrepreneur. I will use it to invigorate our community and inspire positive change.

What is one thing most people don't know about you?

I'm a Spanish speaking, Jewish, native Angeleno. I'm intimately familiar with a variety of cultures and values and would be honored to represent them all.

Register to vote online (until May 31) at soronc.org/vote

Vote in person at the SoRo Festival, Sunday June 5, 11:30-3pm.
