### **Nicole Zwiren Bio and Platform:**

Nicole Zwiren is a union utility sound technician and a freelance sound mixer, with her MFA in Sound Design from Chapman University and her Bachelor of Arts in Anthropology and African-American Studies from UCLA. She has experience as a volunteer for her community as both an event planner for Robertson Park and a member of the Green Team committee of the South Robertson neighborhood. As a volunteer for Robertson Park she has planned and coordinated 3 separate basketball events along with her own Basketball for Peace in conjunction with the Peace Picnic in September of 2014. On the Green Team she has been concerned with the greenery and the community garden along with starting a new community garden in the neighborhood.

On her agenda for the new year she wants to help Aimee as the co-chair of the green team. She is concerned with such issues as protecting the trees during the renovation of the Robertson Park, teaching the importance of preserving the environment to protect the wildlife of the community, teaching how people can sustain the planet better by doing their own composting, and educating the neighborhood on the dangers of allowing the electric company to pollute our homes with unnecessary radio frequencies in the form of smart meter installations. She plans on getting more of a variety of people to attend the meetings and to encourage activism in the form of writing letters, calling politicians in office, starting petitions and spearheading events to bring important issues to recognition.
