Notes: Palms Emergency Preparedness Coalition (PEPC) was formed in 2013 and has been the recipient of \$30K in funding from the federal Centers for Disease Control, as administered through the Los Angeles County Department of Health. PEPC is not governed by the Brown Act and has a rather informal structure (no officers). The members appointed to PEPC would be afforded full voting rights on all issues. The main goals of the organization are to establish emergency procedures for Palms, acquire emergency supplies and distribution points, and conduct outreach to the stakeholders of Palms.
