

Motion for Small Lot Development 3260-3264 Fay Ave

Agenda Item: GB032113-7
Date: March 21, 2013
Proposed By: Terrence Gomes

Applicant is asking the support of the SORO NC for a small lot development 3260-3264 Fay Ave. Los Angeles, CA 90034

Full Proposal

In December 2004 the City of Los Angeles implemented the Small Lot Ordinance as a way to provide a new type of housing for Los Angeles. Small Lot Subdivision offers the following benefits to both the developer and the future buyer/owner:

- Lower liability for the developer - no Home Owners' Association
- Fee simple home ownership at a lower cost
- Lower developer insurance rates vs. condo construction
- Future owners can modify the home without HOA issues
- Ability to develop feasible projects on RD 1.5, RD2, & R2 Lots. They also work on C zoned properties.

The applicant is asking for the support of the SORO NC for a four home, small lot development at 3260-3264 Fay Ave. A site plan with a hardscape plan was presented. The applicant is asking for support from SORO NC with the following requirements:

1. Setbacks. Zoning Administrators Adjustments to allow for various code requirements in the RD1.5 zone. A) A reduced front yard of 9 feet in lieu of the 15 feet required for lots identified as 1 and 2, and of 0.16 feet in lieu of the 15 feet required for lots identified as 3,4,5 and 6; B) A reduced rear yard of 0.16 feet in lieu of the 15 feet required for lots identified as 1,2,3 and 4 and of 5 feet in lieu of 15 feet required for lots identified as 5 and 6; C) A reduced side yard of 0.16 feet in lieu of the required 4-feet for lots identified as 5 and 6; D) A reduced passageway of 0 feet in lieu of the required 10 feet and, E) A reduced separation of building of 0.3 feet in lieu of the required 10 feet.

2. Open Space. Zone variance for a reduction in open space, requesting zero square feet in lieu of the Code required amounts ranging from 100 to 175 square feet per dwelling unit.

3. On-site notification. Posting a visible sign throughout the entire construction process that will provide contact information

for a live person for neighborhood communication 24 hours a day during the construction phase..

4. Landscaping plan. Attached to this motion is a preliminary landscape rendering. This project's landscape plan will provide landscaping that will enhance the building aesthetic with native and drought friendly plants. It has always been the applicant's intention to create a project that contains an extensive and well planned planting program. The applicant has received their draft mitigated negative declaration and it requires all open areas to be attractively landscaped and maintained in accordance with a landscape plan and an automatic irrigation plan.

Proposed Motion

- I. The LUED committee did not take a position on the project as there were issues that needed to be addressed. The committee decided to refer the issue to the General Board once the applicant responded to the issues and developed a solution and provided documentation to support the solution.

Motion to oppose proposed NC funding cuts and delays in 2014 elections

Agenda Item: GB032113-8
Date: March 21, 2013
Proposed By: Terrence Gomes

Full Proposal

Whereas the City is asking the neighborhood councils to postpone their elections due to budget cuts, and

Whereas the city is asking each neighborhood council to pay for their next elections, approx. \$ 7300.00 per council, and

Whereas the city continues to violate Charter section 911 by cutting neighborhood council funds, sweeping annual excess funds, and failing to fund neighborhood councils in a secure account one year in advance,

Proposed Motion

- I. That the City issues NO DELAYS in the 2014 neighborhood council elections
- II. That the City fully fund the neighborhood council 2014 elections
- III. That the City restores the \$50,000 Neighborhood Councils annual budgets
- IV. That the City cease and desist from any further sweeping of neighborhood council funds, in violation of charter section 911
- V. That the South Robertson Neighborhoods Council file an immediate letter to the City regarding its violations of Charter Section 911.

Re: Funding for Neighborhood Councils

Dear Mayor and City Councilmembers:

On behalf of the South Robertson Neighborhoods Council, the below motion was passed by our Board of Directors at our regularly scheduled general board meeting.

In the past few years, the City, in alleged violation of Charter Section 911, has cut the budgets of both the Neighborhood Councils, as well as the Department of Neighborhood Empowerment, to the point that the cuts have materially impaired the ability of the department to perform its mandated functions. With the proposal to have the individual Neighborhood Councils fund their elections through a funding cut, this too shall materially impair the local Neighborhood Councils from performing those functions that the community has come to rely on.

Motion

Whereas the City is asking the Neighborhood Councils to postpone their elections due to budget issues, and

Whereas the City is asking each neighborhood council to pay for their next elections, approximately \$7300.00 per council, and

Whereas the City continues to violate Charter Section 911 by cutting neighborhood council funds, sweeping annual excess funds, and failing to fund Neighborhood Councils in a secure account one year in advance,

Therefore, the South Robertson Neighborhoods Council moves:

- That the City issues NO DELAYS in the 2014 neighborhood council elections
- That The City fully fund the Neighborhood Councils' 2014 elections
- That the City imposes no further cuts to the Neighborhood Councils annual budgets and increases the funding to \$50,000
- That the City cease and desist from any further sweeping of Neighborhood Council funds, in violation of Charter Section 911
- That the XXXXXXXX Neighborhood Council files an immediate letter of complaint against the City for its violations of Charter Section 911.

We demand that you cease the alleged violations by fully funding both the Department of Neighborhood Empowerment and the Neighborhood Councils so that they can perform those functions that the community has come to relied on.

Sincerely,

Doug Fitzsimmons

March 13, 2013

The Honorable Antonio Villaraigosa
Mayor, City of Los Angeles
200 North Spring Street, Room 303
Los Angeles, CA 90012

Dear Mayor Villaraigosa:

My Office has been contacted by the Neighborhood Council Budget Advocates, who understand that the Mayor's budget proposal for the 2013/14 fiscal year will again recommend a reduction in the allocation to neighborhood councils. Specifically, I have been advised that the proposed annual allocation to each neighborhood council may be reduced, and that from this annual sum, each neighborhood council will be required to pay for the costs to conduct its neighborhood council elections. In short, this means that there will be a significant decline in the amount of funds provided to each neighborhood council in order to conduct their very important and essential affairs. Moreover, the possible new cuts to the neighborhood council budgets will come at a time when the City's overall financial health, based on all economic indicators, is improving.

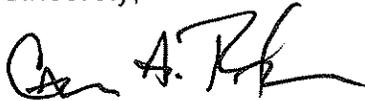

I am writing to urge you to provide full funding to all neighborhood councils that will enable them to carry out their City Charter-mandated functions, including the costs of conducting their elections. As you are aware, since 2009, there have been drastic cuts to both the budget and staffing of the Department of Neighborhood Empowerment, as well as to the funds provided to the neighborhood councils. Moreover, I know that you are aware of the line of legal authority that concludes that constitutionally-required activities of government cannot be so de-funded as to materially impair and render their intended duties incapable of appropriate performance. This Office believes that neighborhood councils fall squarely within that category of government activities that should be fully funded.

Mayor Villaraigosa
March 13, 2013
Page 2

At this time, I understand that the Mayor's budget for fiscal year 2013/14 has yet not been finalized. As such, the concerns that have been conveyed to me by various neighborhood councils may be premature and hopefully, may not be an issue when your final budget recommendations are issued in April 2013. I simply hope and intend that this letter informs your decisions.

I am available to meet and discuss this matter at your convenience. Thank you for your consideration of my comments and concerns.

Sincerely,

Motion to oppose amendments to the Community Care Facilities Ordinance

Agenda Item: GB032113-9

Date: March 21, 2013

Proposed By: Ellen Lanet

Full Proposal

Motion proposed by the Westside Regional Alliance of Councils. See attached background prepared for the Pacific Palisades Community Council.

Proposed Motion

- I. To oppose Amending Motion 31B, submitted January 30, 2013 to Council File 11-0262, on the following grounds:
 - a. Lack of sufficient staff support and lack of a funding mechanism,
 - b. Inability to presently enforce codes,
 - c. Anticipated 10% across the board budget cuts to all City departments slated for FY 2013-2014, and
 - d. Complete lack of transparent fiscal analysis.

- II. We further strongly oppose the continued gutting of the R1 and other low-density residential zones in the City of Los Angeles. The General Plan of the City of Los Angeles protects the residential character of these zones. The City is therefore required by law to prepare a General Plan Amendment and to produce a full Environmental Impact Report in compliance with CEQA to establish any ordinance adding boarding houses as a by right use into low density residential zones.

COMMUNITY CARE FACILITY ORDINANCE MOTION. Jennifer Malaret, Chris Spitz and George Wolfberg. Upon motion by Chris Spitz, seconded by George Wolfberg, the Council approved the following resolution:

PACIFIC PALISADES COMMUNITY COUNCIL RESOLUTION RELATED TO THE CITY OF LOS ANGELES', DEPARTMENT OF PLANNING, RECOMMENDED COMMUNITY CARE FACILITY ORDINANCE; COUNCIL FILE 11-0262; REPORT NO. R13-0014 DATED JANUARY 3, 2013 AND ALARCON-ROSENDAHL AMENDING MOTION 31B DATED JANUARY 30, 2013

Whereas, for more than six years the City of Los Angeles has deemed it necessary to update the Los Angeles Municipal Code's ("LAMC") existing definitions of *family* and *boarding/rooming houses* to provide effective tools for the City to enforce its zoning laws relative to transient shared housing operations in low-density R1 and R2 zones.

Whereas, the Pacific Palisades Community Council ("PPCC") has supported an update to the zoning code via the enactment of a well-balanced Community Care Facilities Ordinance ("CCFO"), currently evidenced by Planning's most recent Report No. R13-0014 (the "January 2013 CCFO")¹. PPCC has asked for nominal protections as found in other cities that seek to maintain stable single- family neighborhoods by:

- prohibiting unlicensed and illegal boarding homes, as well as parolee/probationer facilities,
- imposing concentration and distance limits from sensitive uses, and
- public notice for larger facilities that serve seven (7) or more residents.

Now Therefore Be It Resolved that the Pacific Palisades Community Council:

(A) OPPOSES the Alarcon-Rosendahl- Amending Motion ("Gut the Code") because this proposed amendment would eliminate the historic prohibition of the establishment of boarding houses in low-density R1 and R2 zones by removing the definitions of "family", "parolee- probationer home," "single housekeeping unit" and "boarding or rooming house" from the zoning code. Alarcon-Rosendahl's Gut the Code Motion also eliminates the requirement for a conditional use permit for parolee-probationer homes in any residential building located in R3 or more restrictive zones. Thus, the Alarcon-Rosendahl Gut the Code Motion opens all residential areas of the Palisades² to transient boarders by allowing any R1 and R2 property owner to rent to as many persons, including parolees/probationers, as the code allows without parking requirements, and performance standards to protect neighbors and limits to protect residential blocks, schools and churches.

(B) SUPPORTS the proposed Westside Regional Alliance of Councils' ("WRAC") Motion written in opposition to the Alarcon-Rosendahl Gut the Code Motion:

We, the members of the Westside Regional Alliance of Councils, oppose Amending Motion 31B, submitted January 30, 2013 to Council File 11-0262, on the following grounds: (1) Lack of sufficient staff support and lack of a funding mechanism, (2) Inability to presently enforce codes, (3) Anticipated 10% across the board budget cuts to all City departments slated for FY 2013-2014, and (4) Complete lack of transparent fiscal analysis. We further strongly oppose the continued gutting of the R1 and other low-density residential zones in the City of Los Angeles. The General Plan of the City of Los Angeles protects the residential character of these zones. The City is therefore required by law to prepare a General Plan Amendment and to produce a full Environmental Impact Report in compliance with CEQA to establish any ordinance adding boarding houses as a by right use into low density residential zones.

(C) URGES THE LOS ANGELES CITY COUNCIL TO:

¹ The January 2013 CCFO was written following four (4) human executions that occurred in an overcrowded, unlicensed City of Los Angeles boarding home and a unanimous vote of the City Council's Public Safety Committee on January 2, 2013 recommending that the Council approve the CCFO subject to several amendments.

² PPCC urges all homeowner groups and stakeholders to research and consider that perceived protections offered by HOAs, CC&Rs, & other covenants may not apply due to federal and state housing laws.

- (1) Maintain and preserve the definitions of “family”, “parolee-probationer home,” “single housekeeping unit” and “boarding or rooming house” in the January 2013 CCFO;
- (2) Preserve the conditional use permit requirement for Parolee-Probationer Homes as listed in the January 2013 CCFO;
- (3) Maintain and preserve the Parking Requirement, Public Benefit and Performance Standards as listed in the January 2013 CCFO;
- (4) Ensure that the City’s zoning authorities shall have appropriate enforcement resources for all licensed and unlicensed Community Care Facilities with nuisance, parking, infrastructure overutilization and zoning problems, and that all landlords of Community Care Facilities be required to appropriately and sustainably pay into a dedicated fund to ensure all funding, manpower and other resources to perform such enforcement. (5) Provide a phase-in period of one year coupled with a reduced [or waived] fee for that year for the Directors Determination specified in LAMC 12.22 EXCEPTIONS, A. USE #27, REASONABLE ACCOMODATION to provide a path to legitimacy for existing unlicensed group homes which do not adhere to the definitions specified in (C)(1) herein but serve protected populations as defined by the Americans with Disabilities Act.
- (6) Include the recommendations of LAPD Chief Charlie Beck set forth in the Chief’s August 14, 2012 letter to City Council [previously circulated/public document; available upon request].

Motion to approve \$5000 or \$4000 for a Neighborhood Purposes Grant for the 2013 SoRo Festival

Agenda Item: GB032113-10

Date: 21 March 2013

Proposed By: Kimber Smith

Full Proposal

For sixteen years, the SoRo Community Festival has built bridges amongst our neighbors, local businesses and public service organizations and celebrated the cultural diversity of our community. The Festival is organized by SoRo, Inc.

The single-day Festival includes activities for kids, a wide range of food, a live music stage and lots of exciting artist and vendor booths.

The Festival has been the Neighborhood Council's largest single outreach effort each year, attracting over 8,000 residents. It helps build pride in our community, and gives stakeholders a chance to talk with their NC board members and tell us about their priorities for the neighborhood. The Festival also provides unique opportunities for representatives of City departments and non-profit organizations to meet with residents and give them information about their services, and for local businesses to promote themselves to their community.

Proposed Motion

- I. To approve a \$5000 / \$4000 Neighborhood Purposes Grant to SoRo, Inc., for the purposes of putting on the 2013 SoRo Festival.

Considerations

Committee review:
(highly recommended)

Votes For: 4

Against: 0

Amount previously allocated in Committee's working budget: \$4000
(applies to funding motions only)

Arguments for:

Reductions to our NC budget and removal of our rollover funds has left us with less than we've had in past years.

This is our largest outreach effort to the immediate community.

Arguments against:

\$4000 is significantly less than we've allocated in previous years

The festival is structured to attract a small local audience at time when we need to raise the profile of our business community to a broader audience.

Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and

contributors may continue to rely on the advance determination until we make a final determination of your foundation status.

If we publish a notice in the Internal Revenue Bulletin stating that we will no longer treat you as a publicly supported organization, grantors and contributors may not rely on this determination after the date we publish the notice. In addition, if you lose your status as a publicly supported organization, and a grantor or contributor was responsible for, or was aware of, the act or failure to act, that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that we had given notice that you would be removed from classification as a publicly supported organization, then that person may not rely on this determination as of the date he or she acquired such knowledge.

If you change your sources of support, your purposes, character, or method of operation, please let us know so we can consider the effect of the change on your exempt status and foundation status. If you amend your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, let us know all changes in your name or address.

As of January 1, 1984, you are liable for social security taxes under the Federal Insurance Contributions Act on amounts of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the private foundation excise taxes under Chapter 42 of the Internal Revenue Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Internal Revenue Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Donors may deduct contributions to you only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, gives guidelines regarding when taxpayers may deduct payments for admission to, or other participation in, fundraising activities for charity.

You are not required to file Form 990, Return of Organization Exempt From Income Tax, if your gross receipts each year are normally \$25,000 or less. If you receive a Form 990 package in the mail, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return. Because you will be treated as a public charity for return filing purposes during your entire advance ruling

SOUTH ROBERTSON NEIGHBORHOODS

period, you should file Form 990 for each year in your advance ruling period that you exceed the \$25,000 filing threshold even if your sources of support do not satisfy the public support test specified in the heading of this letter.

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete. So, please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You are required to make your annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. Copies of these documents are also required to be provided to any individual upon written or in person request without charge other than reasonable fees for copying and postage. You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements. Additional information is available in Publication 557, Tax-Exempt Status for Your Organization, or you may call our toll free number shown above.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, we will assign a number to you and advise you of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

If you distribute funds to individuals, you should keep case histories showing the recipients' names, addresses, purposes of awards, manner of selection, and relationship (if any) to members, officers, trustees or donors of funds to you, so that you can substantiate upon request by the Internal Revenue Service any and all distributions you made to individuals. (Revenue Ruling 56-304, C.B. 1956-2, page 306.)

If we said in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

NPG for KCET Departures Phase 2 (\$3000 or \$4000)

Agenda Item: GB032113-11

Date: 21 March 2013

Proposed By: Marjan Safinia

Full Proposal

KCET Departures, an online, interactive documentary series, spend a good portion of 2012 documenting stories of South Robertson based on an NPG grant from SORO NC. Thanks to the enthusiasm and hard work of the KCET production staff, the scope of the project grew far beyond the dollar amount we had funded at no further cost, and we were fortunate enough to end up with a robust chapter for South Robertson on their site, alongside major LA neighborhoods such as Venice, Chinatown and Highland Park.

In the research process for 2012 Production, KCET identified many more SORO Stories that they would like to tell, building out the South Robertson chapter with new and diverse materials. The interactive web-based nature of the series offers the opportunity to expand on the project seamlessly.

Early statistics for viewership in the month following the launch of the Phase 1 project were very promising: 3500 people visited the KCET SORO project between Feb 1 and Feb 25 2013, equal to the early launch numbers for Venice and Highland Park. It is expected that these numbers would continue to grow over time. The material was also posted numerous times via social media, with many thousands of additional impressions through Facebook and Twitter. SORO NC also published links to the material via our social media channels, website and email blasts.

The Outreach Committee is very excited to continue to expand on this series in partnership with KCET. We feel that the series helps accomplish many of the stated goals of SORO NC, including community building, raising the public profile of the neighborhoods, and creating outreach further into portions of our community that do not traditionally interact with the Neighborhood Council.

Accordingly, we have spoken to KCET about expanding the project into Phase 2. KCET anticipates that our dollars could reach even further in Phase 2, since much of the initial research has already been done, meaning that more time and dollars could be committed to actual production of stories.

It is important to note that the funds from the NC are the only funding source committed to this project. KCET offers their staff production time and expertise in-kind, and no other sources of funding contribute to this specific South Robertson chapter of the series.

The Outreach Committee will continue to work closely with KCET to establish Phase 2 goals, and to help secure stories from our diverse communities. We will also work with KCET to conceive of creative ways to bring the stories back into our community through Outreach events like the SoRo Festival, Movies in the Park, and in partnership with schools and public spaces within our boundaries.

Proposed Motion

- I. That SORO NC approves the attached Neighborhood Purposes Grant in the amount of \$3000 / \$4000 for the purpose of expanding the KCET Departures chapter on South Robertson.

Considerations

Committee review:
(highly recommended)

Votes For: 8

Against: 0

Amount previously allocated in Committee's working budget: \$3000
(applies to funding motions only)

Arguments for:

Large outreach opportunity that can reach both stakeholders within our boundaries as well as attract people outside our boundaries to our area

The value of the quantity of production work we will receive far outweighs the dollar amount we are contributing – KCET's in-kind commitment of time is buying us far more content than we could ever afford to underwrite.

Arguments against:

Cost

We will not be able to tell every single story within SORO NC and will have to pick representative stories from our communities.

SECTION III – PROJECT DESCRIPTION

4) Please describe the Neighborhood Improvement Project for which the grant is intended.

This grant will be used to expand the KCET DEPARTURES installment of South Robertson. KCET DEPARTURES is an ongoing collaborative media project that tells the untold stories of Los Angeles' diverse neighborhoods. Last year, KCET DEPARTURES researched, conducted interviews, and published stories about the neighborhoods, people, and businesses of South Robertson. This grant will enable us to build upon the research we've conducted so far and the relationships we've created with the communities, to realize stories that have not yet been produced.

Working in close collaboration with the neighborhood council, we plan to continue our outreach, and research (people, places, or things) to create editorial content that will add to the already produced installment of South Robertson.

5) How will this grant be used to primarily support or serve a non-discriminatory, public purpose and benefit the public at-large.

Working with the neighborhood council for the first phase of the project, we interviewed a wide range of people of different cultural, social, and economic backgrounds. This grant will only extend those efforts. Our first chapter has been well received as a well-rounded overview of South Robertson. The next phase will be a valuable opportunity to revisit and further explore communities that have been approached previously, and to gain entry points into communities that may remain underrepresented.

In essence, this grant will allow us to reinforce the diverse neighborhoods and communities of South Robertson, and define and share SORO's distinct identity within the larger tapestry of Los Angeles.

ABOUT KCET

On-air, online, and in the community, KCET plays a vital role in the cultural and educational enrichment of Southern and Central California.

In addition to broadcasting the finest programs from around the world, KCET produces and distributes award-winning local programs that explore the people, places and topics that are relevant to our region.

Whether it is through our broadcast, via cable, over the internet or from our extensive community outreach and education programs, KCET consistently delivers inspiring content that informs, educates and enlightens millions of individuals in California and throughout the world.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
- I am a U.S. citizen or other U.S. person (defined below).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 4.

Sign Here	Signature of U.S. person ▶	Date ▶ 12/2/11
------------------	----------------------------	-----------------------

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

SORO NC Branded Pens and Keychain/Flashlights (\$1650)

Agenda Item: GB032113-12

Date: 21 March 2013

Proposed By: Marjan Safinia

Full Proposal

To build and expand on the valuable brand we have built for SORO NC, including our memorable logo and signature colors, we propose purchasing a new round of promotional giveaway items for use at SORO NC public events.

In the past, SORO NC has had much success with the use of the promotional items we have purchased. With summer events coming up, it is helpful to replenish our inventory of goodies.

The outreach committee discussed a variety of options and recommends purchase of new pens and keychain/flashlights at this stage. We continue to have a good supply of shopping bags and license plate holders.

We have not purchased SORO NC pens since 2008 and we are close to the end of our supply. There was also desire to purchase a fresh supply of keychain/flashlights, which have turned out to be a very popular item across the board.

Proposed Motion

- I. That SORO NC funds up to \$1650 towards the purchase of pens and keychain/flashlights, branded with the SORO NC identity, as promotional outreach materials.

Movies in the Park 2013 (\$1000)

Agenda Item: GB032113-13
Date: 21 March 2013
Proposed By: Marjan Safinia

Full Proposal

This is the sixth year of CD-10's very successful Movies in the Park summer series. CD-10 has chosen once again to bring one of the evenings to SORO and host a community movie screening at Reynier Park. The date of the event will be in late July/early August TBD.

In the past, this event has attracted upwards of 800 people to the park, making it one of the largest Outreach opportunities we support in the community. It's a great family night out, and offers us significant outreach into the Latino community, who usually attend in great numbers and who we could benefit from reaching out to more.

This also offers us an opportunity to continue our close collaboration with the CD-10 office.

Our portion of the funds will be used to purchase food items for the event including candy, hot dogs, buns, popcorn and associated service items.

Proposed Motion

- I. That SORO NC funds \$1000 towards the purchase of food, beverage and associated service items for CD10's Movies in the Park Event in Reynier Park for 2013

Considerations

Committee review:
(highly recommended)

Votes For: 8

Against: 0

Amount previously allocated in Committee's working budget: \$1000
(applies to funding motions only)

Arguments for:

Large outreach opportunity that people have come to expect in the community

Funding now allows us to use the balance of this year's funds for benefit to our community, in case funds are swept by the budget committee.

Arguments against:

Cost

Movies in the Park is a CD-10 branded event which occurs in several locations, so it's not specifically a SORO NC branded event.

Motion to approve up to \$350 to be used for business outreach.

Agenda Item: GB032113-14
Date: March 21, 2013
Proposed By: Beth Ryan

Full Proposal

SORO has an extensive and varied business community with some businesses having extensive knowledge of what SORO NC is and what we are involved in. Other business owners are unaware of the support that we could be offering.

We have created a survey, one-page SORO page and business card that will be hand-delivered to local SORO businesses in four phases.

1. Robertson Blvd
2. West side of La Cienega Blvd
3. Pico Blvd from La Cienega to Dohney Blvd
4. Pico Blvd from Doheny to Motor Avenue

After each phase, we will compile results and discuss any changes that need to be made to the program based on our learnings.

This funding motion represents a portion of the total project, and we will present a further motion pending early success with the strategy.

Funds will be used to purchase stamps (so business owners are more likely to return the survey), as well as compile the printed materials outlined above.

Proposed Motion

That SORO NC funds up to \$350 for stamps and printed materials associated with outreach to the local business community within SORO NC's boundaries.

Considerations

Arguments for:

Great inexpensive way to outreach to local business community to let them know that we are here and to get feedback from them on how we can best support them.

SORO NC has limited reach into the business community

Arguments against:

Perhaps funding could be better used for other more critical programs with in SORO.

Response rates to surveys according to industry standards are often low.

Motion for \$2984 Neighborhood Purpose Grant for SORO Inc. to Purchase Emergency Equipment and Supplies

Agenda Item: GB032113-15

Date: March 21, 2013

Proposed By: Michael Lynn

Full Proposal

In 2011, the SORO NC General Board approved the Public Safety Committee's "Neighborhood Team Program" (NTP), as part of an overall SORO Emergency Preparedness Plan.

In a major emergency or disaster, Neighborhood Emergency Teams (NETs) would need various equipment and supplies to rescue and/or provide care for trapped or severely injured individuals within SORO. The following equipment and supplies provides the very minimal amount needed for training and use by existing NETs:

(See attached spreadsheet.)

All listed equipment and supplies would be stored at the SORO NC storage space at the Robertson Recreation Center (and/or other designated locations,) to be accessed, maintained and deployed by CERT individuals designated by the SORO NC.

Proposed Motion

To approve a Neighborhood Purpose Grant of \$2984 for SORO Inc. to purchase Emergency Supplies and Equipment (see attached spreadsheet) in support of CERT graduates in training community members, to be stored in the SORO NC storage unit, located at the Robertson Recreation Center.

Sage Wellness NPG

Agenda Item: GB032113-16

Date: March 21, 2013

Proposed By: Education Committee

Full Proposal

Ruth Smith and Katie Hill spearhead an educational program called Sage Wellness. This program is a customized Wellness Program based on the needs of the target audience. Through diagnostic testing and health risk assessments, Katie and Ruth are able to determine exactly what wellness initiatives will be most effective. Sage Wellness practices a holistic approach to nutrition, which means they look at how all areas of well-being are connected.

The Education Committee is excited about this program. It is undeniably clear that there are isolated pockets of our community in dire need of health education. Through a customized, holistic, nutritional approach, Sage Wellness will conduct lectures for students and parents in our community and offer practical and real health advice to those who want to lead a healthier life-style.

This program will bridge the gap between many of the diverse neighborhoods in SORO and will help brand our community in a more positive light.

The program will cost \$4000. Currently there is approximately \$4000 in NPG funds ready to be used for a worthy cause such as this.

Proposed Motion

- I. That \$4000 be allocated from the Neighborhood Purpose Grant to the Sage Wellness Program for services in our community.

SECTION II - PROJECT DESCRIPTION

4) Please describe the Neighborhood Improvement Project for which the grant is intended.
 Four Week Parent and Child Nutrition program at Shenandoah Street Elementary. Sage Wellness will partner with non-profit, RootDown to provide a customized holistic approach to meet the needs of both the students and the parents. Sage Wellness specializes in working with parents who have the purchase power and the influence over the food choices at home and will educate them on how to create healthier meals and a supportive environment for healthy lifestyle change. RootDown will work specifically with the students to give them a hands on experience in the kitchen and create awareness around food and nutrition. Together these programs foster communication between parents and kids in order for them to speak the same healthy lifestyle language at home.

5) How will this grant be used to primarily support or serve a non-discriminatory, public purpose and benefit the public at-large.
 Childhood obesity and related chronic conditions such as Type 2 diabetes are a community issue. By educating both parents and kids on the importance of a healthy lifestyle through good nutrition and physical activity we can make sure that they do not continue to rise in prevalence. Regardless of background or income there are ways for families to increase the nutritional value of what they eat and the amount of physical activity that they have in their daily routine. The families that take part in this program will not only be empowered to sustain these changes in their homes but have the knowledge to pay-it-forward to other families in the community. This creates a ripple effect of health throughout the community.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

Four Week Parent & Kid Nutrition Program

Sage Wellness specializes in working with parents and we believe a four week program will provide the necessary education to help parents create healthier changes at home. We highly recommend, that in conjunction with a parent program, there is also a program for the kids that will engage them in the kitchen. We reached out to RootDown, a non-profit that “gets kids to eat their veggies!” to partner with us for a customized, holistic approach for Shenandoah Street Elementary.

It is necessary to work with kids and parents. Parents have the purchase power and the influence over food at home to not only create healthier meals, but to create an environment that is supportive of healthy lifestyle changes.

The proven approach to creating healthier kids is to get them in the kitchen. When kids engage with food and experience the flavors and methods of preparing food, it brakes down the barriers. And they will eat their veggies (yes, even the nasty ones).

We will work with Shenandoah Street and RootDown to create a cohesive program that will engage both parents and kids. The following pages will outline each program led by Sage and RootDown. The Sage Wellness program can be open to as many parents (and teachers) as space will allow. Though, because of the technical nature of the RootDown program (cooking) the class size will need to be limited.

Sage Wellness Parent Program Design

- Raising Healthy Kids four part series
- Led by Sage Wellness Certified Health and Nutrition Coaches
- Materials in Spanish are available, Spanish speaking Health Coaches may also be an option

Topics

- Week 1: How to get more whole foods into the family diet
- Week 2: Reading nutrition labels and understanding ingredients
- Week 3: Setting the mood for healthy food
- Week 4: Top 5 foods every healthy family needs

Objectives

- Uncover the health risks that are impacting your family
- Find out why health and wellness should start at home
- Determine what small changes can be made that will make a big impact

Outcomes

- Awareness of three most significant health risks affecting participating families
- Empowered parents that will positively impact their families food choices.
- Ability for parents to be able to talk to their kids about nutrition

“It’s not about government telling people what to do. ... It’s about each of us, in our own families, in our own communities, standing up and demanding more for our kids.”

-First Lady Michelle Obama

Parent program: fee

Fee includes:

- Weekly one hour workshop for four weeks
- Handouts, available in Spanish & English
- Marketing Materials
 - Informational flyers to be emailed, posted and/or for kids to take home

Total: \$2,400

RootDown

Ask a group of high school students, whose most convenient food options come from vending machines and corner stores,

“What’s a Dorito?”

Nine out of ten times, they’ll answer, “It’s a chip!”

We’ll what’s a chip?

Blank stares.

A chip. Is it made from a potato?

More blank stares. Might it be a corn chip? Yeah. Yeah that’s it.

So then what’s in a corn chip?

Corn! Salt! Oil!

OK So that’s 3 ingredients. Three.

So why are there over 15 ingredients listed on Doritos? Hm.

Because food has changed.

Student program design

- Four week series for 5th grade students
- Led by non-profit, RootDown

Topics

Hands-on cooking, nutrition and food systems lessons that convince kids that healthy food and fresh veggies aren't so nasty after all.

Objectives

- Give kids hands on experience in the kitchen
- Creating awareness around food and nutrition
- Making the connection to where food comes from

Outcomes

- Kitchen skills
- Meal preparation
- Understanding of food systems
- Entrepreneurial and horticultural training components to build community gardens

Student program: fee

Fee is based on class size and added support. Sessions are 1.5-2hrs. Four sessions total. One per week.

A class capped at 15 kids: \$275 per 1.5 - 2hr session

Total: \$1,100

This class could be a new group of 15 kids each week or the same 15 to have more of a complete program experience. These 15 could then work with parents/staff/teachers to create a program/demonstrations for larger audiences (i.e. school-wide or grade by grade presentations).

A class with 40 kids: \$350 per session

Total: \$1,400

For a larger class, teacher/parent support would be necessary. The class would be less hands on compared to a smaller group.

RootDown has worked with the following organizations:

- Jefferson High
- Augustus Hawkins
- Manual Arts
- A Place Called Home
- L.A. U.R.A.,

Motion to approve up to \$925 to Castle Heights Elementary School to help fund Earth Week/ Eco Fair

Agenda Item: GB032113-17

Date: March 21, 2013

Proposed By: Paula Waxman/Larry Hess/Saran Kirschbaum/Charmaine Colina

Summary

The Castle Heights Elementary School is requesting \$925 to help them pay for their "Earth Week" and "Eco Fair" to be held April 21th to April 26th 2013.

Full Proposal

Each year, around Earth Day in April, Castle Heights Elementary School conducts "Earth Week" ending in their weekend "Eco-Fair". This week -long event sensitizes the students and their families to the importance of taking care of their environment and educates students and families on specific measures they can take to be responsible stewards of the earth. Events that take place during the week are: a kick-off assembly, Bottles and Cans Recycling Contest, E-Waste Drive School Beautification Day, and Walk-Bike to School Program. The Eco Fair examines organic food and gardening in their learning garden, sells reusable grocery bags, eco-themed t-shirts, and culminates in the E-Waste and Recycling contest. It is great fun for the students and their families and at the same time teaches important lessons. The funds generated by the sale of T-shirts and reusable grocery bags are used to fund student environmental projects, and their eco-themed booth at the Soro Festival in June.

The school is asking for \$925 to cover:

- Walk/Bike/Carpool incentives (craft supplies: pencils, stickers, bags) \$455
- Eco Fair Food \$470

Castle Heights will print the SORONC logo on all banners, and advertising, using the following wording, "Paid for in part from funds provided by the South Robertson Neighborhoods Council."

P: (310) 295-9920
F: (310) 295-9906
E: info@soronc.org

soronc.org

Proposed Motion

That the South Robertson Neighborhoods Council (SORONC) donate up to \$925 to co-sponsor Castle Heights' Earth Week and Eco Fair to be held April 21th to April 26th, 2011. SORONC to be credited on all advertising as follows: "Paid for in part from funds provided by the South Robertson Neighborhoods Council."

Considerations

Committee review: Votes For: 6 Against: 0

\$1000 available in committee's budget to fund environmental events and activities.

Arguments for:

These events teach important environmental lessons to both students and families in a fun way.

Because Castle Heights will put the SORONC brand on all advertising materials, this is an ideal way to show the neighborhood that the SORONC sponsors community activities.

Arguments against:

The SORONC gave only \$500 toward this event in 2011.

Motion To Spend Up To \$75.00 for Garden Tools for the Hami Garden

Agenda Item: GB032113-18
Date: March 21, 2013
Proposed By: Green Team Committee

Full Proposal

The Green Team Committee has been managing the community garden aka "The Hami Garden" for the past four years. It would not be in existence without the hard work and contributions from the Hamilton Student Environmental Club and neighborhood volunteers. Soil amendments come from contributions from Kelloggs Garden Supplies and seeds, seedlings and plants are purchased with money generated by the Hami Garden Club during the SoRo Festival, and gardening classes. Tools usually come from money provided by the South Robertson Neighborhoods Council. The two bypass pruners will replace two that have worn out. The Hand Weeders and Hoe Cultivators will be new additions to tool our inventory.

Proposed Motion

That the South Robertson Neighborhoods Council approve spending up to \$75.00 to replace and add to the inventory of the following tools in the Hami Garden:

Backyard Pro Bypass, Hand Pruner	\$10.79 ea. X 3 = \$ 32.37
Orchard Stainless Steel Wood Hand Weeder	\$6.29 each x 3 = \$18.87
Orchard Aluminum Hoe/Cultivator	\$8.09 each x 2 = \$16.18
Total	\$67.42
Plus tax	\$6.08
Grand total	\$73.50

Considerations
