July 20, 2022

To whom it may concern,

My name is Carla CC Arrue and I am the Recreation Facility Director at the newly reopened Robertson Recreation Center located near Pico-Robertson. It is a City of Los Angeles facility operated by Recreation and Parks. We are happy to have just officially opened the doors after a long reconstruction and covid hiatus.

The South Robertson Neighborhood Council reached out to me on April 23, 2022 regarding adequate signage at our park. One of its board members, Terrence Gomes, had visited the park and noticed that flyers had been posted randomly throughout the facility by previous staff due to lack of better posting options. This was not helping maintain the clean, modern esthetics of the park.

Mr. Gomes brought up the idea to purchase (if approved by the SORO Board) a 36in. X 48 in. enclosed bulletin board that could be displayed at a prominent location in the park in order to keep the public informed of Park Programs and SORO announcements. I relayed the information to my management and received a resounding positive response.

The SORO NC proceeded to make and pass the motion in May's meeting and purchased the bulletin shortly after. By June 6th it was in delivery transit, and once we received it, we requested to get it installed at the entrance of our main lobby. The bulletin board was installed on June 15 by our City of Los Angeles construction staff and has been displaying information ever since.

We are so grateful for the wonderful relationship we have with our city family entities like the SORO Neighborhood Council and its very dedicated board members. In a short amount of time we've been able to share ideas and collaborate to get things done for our community. We wholeheartedly appreciate their support and look forward to working closely with them on many more endeavors for our neighborhood and Park!

If you have any questions regarding the Robertson Information Board, or any other items related to Robertson Recreation Center, please reach out via email.

Thank you for your time.

Best,

Carla CC Arrue
Recreation Facility Director

**City of Los Angeles
Office of the City Clerk
Neighborhood Council Funding Program**

Neighborhood Purposes Grants

Neighborhood Purposes Grants (NPGs) provide NCs opportunities to develop partnerships with local 501(c)(3) nonprofits and public schools to build community and enhance neighborhoods in the City of Los Angeles. Projects and activities supported by NPGs vary widely and can include, but are not limited to:

- The Arts
- Beautification
- Community Support
- Education
- Community Improvements

NPG-funded projects and activities must be for a **public benefit** and purpose, **open**, **accessible**, and **free of charge** to stakeholders.

Grants approved by NCs exceeding \$5,000 involve further review and possible City contract by the Office of the City Clerk.

Visit the NC Funding Program website page on NPGs ([click here](#)) to find out more details about how 501(c)(3) nonprofits and public schools serving NC areas can apply. There are two NPG Information Packets; One for prospective applicants to help guide them in the application process, and one for NC board members outlining considerations and factors to keep in mind while evaluating NPG requests.

A “Project Completion Report” template is also provided to help ensure accountability in the use of Grant funds and help demonstrate how NCs and their partners are supporting L.A. communities and stakeholders. NCs and NPG recipients are strongly encouraged to work together to complete and submit the Report at the conclusion of the project.

Any questions you may have with the NPG process, please contact us at the NC Funding Program:

Proposed Motion

- I. That the SORO NC approve moving the January 1, 2023 meeting to January 4 and moving the March 6 meeting to March 1 for the SORO NC Public Safety Committee meetings for the FY 2022-2023

Agenda Item: GB081822-14
Date: August 18, 2022

Background

SORO NC to fund up to \$1,800 for purchase of email service from Microsoft 365

Agenda Item: GB0081822-15
Date: August 18, 2022
Proposed By: Executive Committee
Include motion in Consent Agenda? Yes

Background

SORO NC email addresses are managed and hosted through the Google Workspace service. As an early adopter of that service, SORO NC used the service without cost, until now.

Google discontinued the free “Legacy” Google Workspace service in 2012, and is now in the process of ending it. Therefore SORO NC must either pay for Google Workspace service, or find an alternative.

A search has been conducted, unsuccessfully, for free services that would allow ad-free use of the private “soronc.org” domain.

Alternatives to the Google service are offered by many companies, including large providers like Microsoft, and smaller companies like Zoho.

The cost for continuing with Google Workspace is \$6 per user per month. Comparable service from Microsoft is the same price – but has an advantage of more storage space per user. The least expensive alternative found so far is Zoho at \$4 per month.

The recommendation of Executive Committee is to switch to Microsoft 365.

The Microsoft service includes online use of the Microsoft Office software applications (i.e., Word, Excel, etc.) and 1 TB storage per user, versus Google and 30 GB of storage per user. The Microsoft applications are superior to the Google Workspace included applications.

Proposed Motion

SORO NC to fund up to \$1,800 (25 active users on average throughout the year) for purchase of email service from Microsoft 365.

Considerations

Committee review:

Votes For:

Against:

Arguments for:

The Microsoft service includes better quality applications and more storage compared to other available services that we have found.

Arguments against:

Remaining with Google would allow uninterrupted service at the same cost, and thereby save work on behalf of the email administrator.

The Microsoft service privacy policies are less invasive than those of Google, which maintains the right to algorithmically peruse emails and documents.

Motion for the South Robertson Neighborhoods Council to Reduce the Level of Vonage as Their Voicemail Provider to \$14.99 per month plus taxes

Agenda Item: GB081822-16
Date: August 18, 2022
Proposed By: Executive Board
Include motion in Consent Agenda? Yes

Background

The South Robertson Neighborhoods Council currently uses Vonage as their Voicemail provider. The current plan is Vonage World which costs \$29.99 per month and has the following features:

- Unlimited¹ to U.S., Canada and Puerto Rico
- Unlimited¹ to landlines in 60+ countries and mobiles in 10+ countries

Since the SORO NC does not have a physical office, makes no outside calls, and no landline, it would be advised that the SORO NC consider a less costly plan that would meet their needs.

The recommendation would be for the SORO NC to switch to the [U.S. and Canada 400 Calling Plan](#) for \$14.99 per month. The plan has the following features.

- 400 minutes per month to U.S., Canada and Puerto Rico; 5¢ per additional minute
- Pay per minute [rates](#) to all international locations

All plans have free incoming calls and voice to text email service.

Proposed Motion

The South Robertson Neighborhoods Council moves that the Vonage Voicemail service be reduced to the [U.S. and Canada 400 Calling Plan](#) for \$14.99 per month plus taxes.

Motion to return the June 30, 2022 approved Bylaws to DONE for corrections

Agenda Item: GB081822-17
Date: Aug. 18, 2022
Proposed By: Bylaws Committee
Include motion in Consent Agenda? Yes

Background

Due to mandates from DONE, BONC and City Council, SORO was required to make changes to the approved Bylaws. The Bylaws committee reviewed the then-current bylaws and the template supplied and required by DONE and approved a draft that was approved by the General Board on March 17, 2022, and subsequently submitted to DONE for approval.

To the credit of DONE they corrected a couple of minor typos in the draft submitted by SORO. It is also worth noting that for technical reasons the SORO submission was in Acrobat .pdf format rather than the Word format requested by DONE.

DONE sent the approved version of the Bylaws to all SORO board members on July 18 at 6:11pm. At 6:56pm the Vice President of SORO wrote to DONE to point out a glaring typographical error in the approved version and asking if it could be corrected immediately.

No response has been received.

Further review of the document shows additional typos in the DONE approved version, and the use of an undesirable map of SORO.

This motion is to approve submitting a "Track Changes" version of the Bylaws in Word format with the following changes:

1 – Article VI, Section 2, bullet 1. The role of the Board President is misstated, probably due to a copy and paste error. The text of the section describes the role of the Vice President rather than the President.

2 - Article VIII, Section 1. The word "or" is changed to "of."

3 - Article X1, in the "Grievances Submitted by a Board Member" Section. The "y" of the word "Any" is missing.

4 - Article X1, in the "Grievances Submitted by a Board Member" Section. The word "Grievance" is misspelled as "Grieavnce".

5 - Article XIII, in the paragraph beginning with "Any Board Member...". The word "or" is changed to "of."

6 – Attachment A. The map of SORO has been replaced by a newer map which is smaller and more difficult to read. The original map should be used.

Proposed Motion

SORO NC instructs the board Vice President to send an email to DONE, with copies to all parties copied on DONE's July 18, 6:11pm email, stating that:

On August 18 the General Board of SORO NC voted to demand that the Bylaws be reapproved at the earliest possible time, and not later than the next General Board meeting of the SORO NC, and that the new approval include the six changes delineated in the background of the attached motion, and "tracked" in the attached "Track changes" copy of the most current approved bylaws.

Considerations

Arguments against:

Typos reflect poorly on both DONE and the NC

The approved bylaws eliminate the role of timely posting of agendas, among other required roles.

Motion for the SORO NC to sponsor and fund \$1000 for a “Movie in the Park night” at Robertson Recreation Center on October 2, 2022

Agenda Item: GB081822-18
Date: August 18, 2022
Proposed By: Parks and Recreation Committee
Include motion in Consent Agenda? Yes

Background

The Robertson Recreation Center was recently reopened after a closure of several years to rebuild the center. The Park wants to host a “Movie in the Park Night” and have asked CD # 5 and the Soro NC to participate in the event. They are projecting that this event will attract up to 400 stakeholders to the park to enjoy the event programming. Members of all three organizations met to determine what the responsibilities of each organization would be and how the event would be financed. The proposed budget is \$3000 of which:

(a) The RAC would be responsible for overseeing and running the event and would pick up all expenses except \$2000.

(b) CD # 5 would contribute \$1000 for the event plus providing a recently released movie for the event (This would include paying for any licensing/rental fee to the studio).

(c) Soro NC would provide the projection system and screen for the event and pay \$1000 to be used to provide popcorn and drinks for up to 400 people. (The projection system and screen are being loaned to us at no charge by another neighborhood council.)
