Background

The LA City Clerk Elections Administrator for the SORO NC sent an email on Thursday March 23rd to alert the SORO NC that there is a funding issue regarding the location for this Sunday's SORO NC Elections.

The Robertson Recreation Center signed the corresponding paperwork and everything had been confirmed. The Elections Division polling place recruitment team always confirms with the polling locations a few days before the election to ensure everything will go to plan. On Thursday, they received a response back from the facility that they have undergone budgetary changes and are no longer be open on Sunday.

The facility is still reserved for the Elections but would require a \$240 dollar fee to cover the cost of Rec Center personnel. The City Clerk can pay up to \$150 for the location. That leaves a \$90 balance that would have to be paid by the SORO NC.

If approved, payment and documentation would not be required before the Election.
