Update. None. motion was written waiting for report back.
Motion for the SORO NC to write a letter to Council District 10 to expedite the fast track BOE process for installing safety bollards.
Moved: Michael Lynn Second: Baila Romm

Dear Honorable Councilwoman Heather Hutt,
In light of the recent terror attack in New Orleans where car ramming bollards were not in use, the SORO NC is requesting that the Councilwoman expedite the request for the Bureau of Engineering Fast Track engineering permit process. We are requesting that the Councilwoman make this a top priority due to the FBI report that just came out warning of more car ramming attacks.
