

Applicant Statements for Open Board Seats

Applicant Name: Miger Diaz

Board Seat: At Large 3 Board Seat

Applicant Statement: Dear Soro & Beverlywood Community, I believe I would be a strong candidate for the Soro Council Board because I live in the community bring both the perspective of a dedicated parent and the experience of a local business owner who understands the needs and challenges of our community. As a parent, I am deeply invested in creating a safe, supportive, and thriving neighborhood for families to feel safe, grow and succeed. As a business owner, I recognize the importance of fostering economic development, supporting local entrepreneurs, and building bridges between residents and businesses to strengthen our community's foundation. In addition, being fluent in English, Spanish, and Portuguese allows me to connect with and represent a broader range of voices within Soro. I can serve as a bridge across cultures, ensuring that diverse perspectives are not only heard but actively included in decision making. My commitment is to advocate for the needs of families, support local businesses, and help create a more inclusive and vibrant community for everyone.

Applicant Name: Ronak Tumari

Board Seat: At Large 3 Board Seat

Applicant Statement: I'd be glad to enjoy serving on this board because I find real satisfaction in being useful to the people around me. I work well as part of a team and am

comfortable stepping into a leadership role when needed. When I face a challenge, I tend to break it down into smaller, manageable pieces, and I bring a creative perspective to finding solutions. When a subject is new to me, I take the time to study and understand it properly rather than guessing. I also come from a tech background, and while I stepped away from IT a few years ago, I believe that experience gives me practical, problem-solving skills I can offer the board. On a personal note, now that my two children are a bit older and more independent, I have time available that I would genuinely like to invest in contributing to our neighborhood.

Applicant Name: Max Ezra Feingold

Board Seat: Student Seat

Applicant Statement: I think I would be a strong addition to the board because I enjoy being involved in my community and want to represent the perspective of local students. Growing up, I played sports at both the Robertson Recreation Center and the Cheviot Hills Recreation Center, so these parks have been an important part of my life. I'd love the opportunity to give back to the community that has given me so much. I've also coached local youth football, which taught me leadership, responsibility, and teamwork. In addition, I've volunteered at schools for children with special needs, where I learned the importance of patience, inclusion, and supporting others. I'm also interested in politics and local government, and I hope to learn more while helping represent the needs of our community and making a positive impact on our neighborhood. I am eager to represent my peers, learn from experienced community leaders, and help make thoughtful decisions that benefit the South Robertson

community while giving back to the neighborhood that has helped shape who I am.
